Hosts Needed Upcoming Monthly Gatherings

We really need volunteers for the months of July, August, September, October and November. Hosts can decide where your event can be located (home, restaurant, etc.). Friday evenings at 6:30 seem to be the norm.

Comments or Items for our Newsletter

If you have any comments or ideas for our Newsletter, please send them to me. I'll be glad to incorporate them into our next edition. Send them to: Debbie Vermillion, (502) 376-9505, email: diva4sure46@yahoo.com.

Information Needed:

I would like to ask that members provide their birthdays via email or text to Debbie Vermillion (diva4sure46@yahoo.com)

More Important News

Spring Neighborhood Yard Sale

We are going to have the yard sale on the corner of Red Leaf and Staghorn. Shawn has graciously offered his yard for our use. The date of this event will be determined soon along with an alternate date due to inclement weather.

There will be a \$10.00 set up fee which will go into our group fund for future events.

If you choose to participate and set up, you can *voluntarily* donate the funds to our women's group to fund future projects. If you choose not to participate but would like to donate some items, we will be glad to pick them up for you. All proceeds from these donated items will go to our group fund. Items not sold will be donated to the Goodwill.

Upcoming Open House/Meet & Greet

On May 18th from 2:00 pm to 4:00 pm there will be a gathering of our current and new members. This will serve as a way to meet our new members who signed up at the Easter Egg Hunt.

This event will be at the Briarwood Park. Light refreshments will be provided.

General News

At the Easter Egg Hunt, we sold most everything we had available.

The proceeds were used to support the Dove Creek beautification project.

In Appreciation

Staghorn resident Linda Blot donated a beautiful bench that was placed among the flowers. She has requested that the donation of the bench be credited to Wally & Rita Clark, previous residents who were very helpful to this neighborhood for many years.

A very special thank you goes to Dan Mallek, editor for our community web site.

Also, to our Mayor, Brian Sutton who always supports our group.

Finally, we appreciate the work and assistance of Doug Murray, a resident landscaper.
